---

## Summary

I am Aneesh Komanduri and I am currently a Sophomore majoring in Computer Science and Applied Mathematics. I am very passionate about Mathematics, and with a tool as wonderful as programming, I hope to get into the field of Data Science. I am interested in an internship where I can put my skills to the test in a commercial and professional setting.

## Skills

- Proficient in LaTeX, HTML5, CSS3, MATLAB
- Programming Languages: Java, C++, JavaScript, Python
- Languages: English, Telugu, Spanish

## Education

### **Bachelor of Science in Computer Science and Mathematics**

University of Arkansas, Fayetteville, AR

GPA: 4.0                      Expected: May 2021

### **Bentonville High School**

Bentonville, AR

GPA: 4.13                      May 2017

## Programming Projects

### **Personal Website (aneeshkomanduri.me)**

Created a portfolio-type website using HTML and CSS and hosted it via GitHub Pages.

**Ongoing Project:** Developing a program, using Mathematica and Python, to parametrize any curve representing a knot.

## Volunteer Experience

### **Volunteer Staff**

**August 2014 – August 2017**

**Bentonville Public Library**, Bentonville, AR

- Assisted in shelving, organization of events, damage control of books, and general maintenance.
- Ensured that library visitors were satisfied with the service. Dedicated 150+ hours to library service.
- Efficiently shelved books so that the circulation process was sped up.

### **Volunteer Staff**

**July 2016 – September 2017**

**Crystal Bridges Museum of American Art**, Bentonville, AR

- Greeted visitors with a smile at the entrance of the museum, increasing the satisfaction of visitors.
- Distributed podcasts for the museum exhibition. Responsible for cleaning pods to prevent infection.

## Work Experience

### **Mathematics Tutor**

**October 2015 – May 2016**

Self-Employed

- Assisted students from Bentonville High School with Algebra II and AP Calculus.
- Organized tutoring sessions for Algebra II students.
